## Two in the Back

**T**his is the story of a night I had with two boyfriends in the back of this car.

I leaned out of the window and started to suck Colin's monster dick while Pete banged away at me from behind.

I opened the door and told Colin to fuck me. Even though I was very wet, it was a tight squeeze as he edged his dick up my cunt.

I kept my mouth open as wide as I could and took his thrusts deep in my throat.

I could feel myself building to a climax. In between breaths I issued a tirade of filth, telling them to fuck me harder and

**“MY CUNT WAS FULL AND MY BUMHOLE WAS BEING STRETCHED JUST AS MUCH”**

As he stretched me wide open Pete was holding my head in his hands and giving my mouth a good fucking. It felt great to be fucked at both ends.

The harder Colin fucked me the more difficult it was to keep Pete's cock in my mouth.

faster.

They took me out of the car and I knelt between them both. I took both of their cocks in my hands and wanked, sucked and licked them.

Colin put his dick back up my cunt from the front while Pete pulled my bum cheeks apart and started to push his

dick up my arse.

I had never felt anything like this before. My cunt was so full and now my bumhole was being stretched just as much by another dick.

As soon as he pushed it in fully and started thrusting I totally lost it and started screaming from the mixture of pleasure and

pain.

I was on the verge of a huge orgasm as they took turns to thrust hard up my holes, moaning and groaning as much as me.

Colin pulled out of me and sat in the car. I leaned over to suck and wank him as hard as I could while Pete continued to fuck me up the arse.

I started to cum and as I did a huge load of spunk streamed into my mouth from Colin's cock.

Colin reached over and rubbed my clit, causing me to cum even harder.

With a throaty grunt, Pete plunged his cock deep into my arse and emptied his sticky load inside me. Yum!

Marie, Wilts.

# KATE-ANNE

Look very closely at the camouflage here and, if you've got a trained sniper's eye, you might just be able to make out saucy Kate-Anne playing with a thoroughly unconvincing weapon. Got her? Good, because apparently Kate's got something of a soft spot for uniforms...

"I once went out with a guy who was in the forces, and he certainly made sure I got a good drilling whenever he was about. I think it's the least we can do for our brave boys – make sure they enjoy their leave! Mind you, he always had a bit of a hair trigger for the first couple of days..."

A woman with short brown hair and bangs is posing in a forest. She is wearing a short-sleeved camouflage top that is open at the front, revealing her chest, and black lace underwear. She is holding the bottom of the top with both hands. The background is a dense forest with green and brown foliage. The image is framed by a white border with a grey geometric pattern on the right side.

# Buzz CUT!

I don't know about you, but I don't like going to the hairdresser's - all that small talk while you stare at yourself in the mirror is no fun at all. Private, though, seem to have hit upon the perfect wheeze for making haircuts more enjoyable - staff the salons with cock-mad young sploshers who'd much rather be handling a stiff prick or two than a pair of scissors. Vinna's a bit clumsy with her showerhead, but makes up for it by noshing off her customer and letting him pound her tight snizz, while Alexis's neat new vajazzle gets a good workout courtesy of her two studs. Hair-raising stuff.

# PANT-TASTIC!

Generally speaking porno starlets don't get the option to keep their undies on, but this series from director Kevin Moore bucks that trend by having all the girls shagged while pulling their panties to one side. An interesting kink, but clearly one that's got a following, and having watched the third instalment it's not hard to see why. Curvy MILF Kendra Lust goes first, and her arse looks magnificent with the wide angle lense as Kevin slams away at it - she even changes her panties a few times, just in case your interest is likely to flag (it isn't, btw!). Dusky Harley is probably the highlight, though, looking amazing as she's skewered by Kev's pink pole. Available from [Blissbox.com/Evil Angel](http://Blissbox.com/EvilAngel).

### Dear Julia

I was beginning to wonder if we'd ever see the incredible Brook Logan in Escort again, so thank fuck you finally got her back in for Volume 38 Issue 1. Needless to say, the pictures of her were sensational, and if anything she only seems to have got hornier since her last appearance. I'd dearly love to replace that showerhead with my stuff prick and give her wonderful smooth cunt a real hosing down, although I suspect she's not likely to go short of stiff cocks to see to her needs. Cracking picture of her perfect arse, all wet and shiny, on page 36 – please, let's see plenty more of Brook without such a ridiculously long wait this time!

Derek, Eastbourne.

**You got the Brook!**

## DEAR JULIA

### Dear Julia

Your pictures of Jessica posing in a sauna have prompted me to email and tell you about my wife and my naughty taste for fucking in saunas. We like to treat ourselves to weekend breaks away in country hotels, and only ever pick ones that have got steam rooms. There's usually a quiet time in there later in the evening, and after dinner we always head down to see if we've got the place to ourselves. If we have, then that's great because she'll whip my cock out in no time it and suck it till I've spunked down her throat, but if there's a single guy there then that's even better, because then she'll start teasing, casually allowing her legs to fall open, or her towel to slip. Within a couple of minute it's always pretty obvious if the guy's 'up' for a bit of fun, and if he is then Gill's likely to get two doses of spunk for the evening. One time I'll never forget, she was sucking a stranger's dick while I was fucking her from behind when another bloke walked in on us! Needless to say, he soon had his cock out as well, and Gill was in heaven as she had three stiff pricks all to herself! She saw soon wanking them both off over her jugs while I pumped her full of my hot, creamy come!

John, Derby.

**Hardcore Saun'!**

## The Grey Pound(ed)!

This is turning into quite a regular spot for granny flicks – it seems like 50+ fucking is quite the thing! The blonde in the opening scene has certainly seen better days, but that doesn't stop her riding her young stud with the vim of someone 30 years her junior until he's sprayed her well-used cunny with his jizz, and the three cum-hungry oldies that follow her are all eager enough as well!

Available from your local sex shop.

We love a woman who knows what she's doing in the kitchen – especially if what she's doing is taking off her clothes and playing with her juicy flange...

"Being in the kitchen always gets me really horny. I used to go out with a guy who had a thing about fucking me from behind when I was preparing dinner. It made chopping things up a bit tricky sometimes, but it means that whenever I'm cooking now I often crave a hard cock slamming into me!"

# REAL WIFE SEX

*Dawn's got herself a personal commuter*

**"All I wanted was to feel his solid cock inside me..."**

**He started to rub the tip of his manhood up and down the length of my pussy lips.**

**W**hile my husband works locally, I catch the train into London every day for work. It's not a long trip but gives me time to wake up. One morning I was sitting on the platform when I felt as though someone was watching me. When I looked up I

noticed who had been looking at me, a hunk in a three-piece suit, standing a little way down the platform.

When the train got there we both boarded the same carriage. It was already standing room only and I spent the next half hour glancing over the other passengers' newspapers and

phones at the three-piece suit man.

We kept catching each other looking, it was fun and made the journey go quicker. Then he got off at the station before mine and that, I thought, was that.

The next day, just on the off-chance, I decided I would make more of an effort with my outfit and wore a tight-fitting skirt suit. When I saw him at the station, I noticed the way he looked me up and down, nodding his approval.

When we got on the train I was able to get a seat next to the aisle. I positioned myself so that my legs were facing the three-piece suit man and I made sure he got a nice clear view when I crossed and uncrossed my legs, Basic Instinct style.

Then I bent down pretending to look for something in my bag, letting my jacket fall open slightly, giving him a direct view of my ample cleavage. It was a lot quieter on the train the next day, I was wearing a skirt again so that I could continue teasing my new friend. When I sat down he actually came and sat next to me. I crossed my legs and let one of them accidentally brush up against his. He let his hand fall down by his side and began to gently rub my thigh. I arched my back, which pushed my breasts up higher, I noticed his eyes widen and he began squeezing my leg at this.

I was getting quite turned-on by his obvious attraction to me but his stop was coming up. Just before he got up he pulled out his business card, and I gave him mine.

Later that day I had a call from him asking me if I wanted to meet after work for a drink, which we did. We chatted about a few mundane subjects even though that wasn't what we were thinking about. We had been sitting in the corner of the pub and while chatting we had been feeling each other up under the table. I could tell he was getting very aroused and when he suggested going somewhere quieter, I agreed and said I knew a great hotel nearby.

Twenty minutes later we were entering a hotel room. We were both really horny and he told me how he had liked my teasing on the train but that it was his turn now.

I didn't know quite what he meant but was excited nonetheless, we stripped each other bare as soon as the door was closed. We began exploring each other's bodies, kissing, licking,

properly!"

We laughed and I rolled him onto his back and began riding him as hard as I could.

Since then the commute's got infinitely better, and even my hubby's benefited from my newfound horniness, although if he found out the truth he'd be livid!!

5

nibbling and caressing.

During this time we had been edging towards the bed, then he grabbed his tie and tied my hands to the bedpost. At this point we were both very aroused, he spread my legs with his, the head of his erect prick centimetres away from my moist pussy. I gazed into his eyes, the longing was undeniable. He moved forward and started to rub the tip of his swollen manhood up and down the length of my pussy lips. Just rubbing it back and forth, occasionally dipping it half an inch into my now soaking cunt.

I couldn't hold back the pleasure coursing through my body and let out a small moan.

"Fuck me!" I pleaded. But he wasn't going to let me off so easily.

I could see it in his eyes. Being tied to the bed, I could do nothing but lay there and beg. He increased the pressure a little and concentrated the tip of his cock on my clit. All I wanted was to feel his solid cock inside me, but he laughed as I tried pushing myself against him. He continued rubbing my clit with the tip of his dick, it felt so good and I was struggling to keep control.

"Fuck me you bastard!" I managed to yell between shortening breaths. He held me down and continued his assault, while I groaned, "You... fucking... tease. Oh fuck! I'm going to... ahhh..."

As my orgasm started to rip through me he rammed home with his solid cock. I screamed as he pushed into me as deep as he could. I lay there, body spasming on the end of his dick. Finally relaxing enough to get my breathing under control I turned to face him.

"You're an asshole!"

He laughed at me then untied me and said, "We're even now!"

"Maybe," I replied, "but we're not done yet, now fuck me

## Dirty Trucker!

**M**y girlfriend and I are very adventurous when it comes to sex. We have had it in a supermarket car park and a nature reserve near where we live.

This took place in broad daylight as a party of students were on a geological dig. We even shagged on the bonnet of my car when returning from a visit up north.

Our best adventure yet was when we were on an afternoon out for some photographic fun and frolics. We were driving around a few of our local attractions.

We were pulling off our clothes at every opportunity. The possibility of being seen made it all the more thrilling. On our way home we couldn't

wait any longer.

We needed to fuck each other silly, so what better way to indulge in one of our favourite fantasies, exhibitionist sex? I pulled into a busy overnight truck-stop and found a space.

I made sure I parked somewhere where it would be all too easy for people to view what was about to happen. By now all my girlfriend had on was a black bra, suspender and stockings covered by a full-length leather coat.

My cock was already as hard as iron as she opened my jeans and began to suck on it like it was going out of fashion.

As she was giving me head I started poking at her arsehole with my finger.

Little did I know that a passing trucker was viewing

02. CAROL

our every move from outside our vehicle. When I saw him I beckoned him to get into the car.

He declined, suggesting there was more room in his sleeper cab.

I indicated as much to my girlfriend and to my delight she was very much up for it.

I thought it was my birthday and Christmas all at once.

We climbed into his cab and immediately got down to business. He pulled his fat dick out and Carol bunged it straight down her gob.

The sight of Carol sucking his meat had me harder than ever before.

I positioned myself behind her and slowly eased my prick entirely into her lovely arsehole, penetrating her deeply. As I did this she started sucking on his cock harder and faster.

I saw a change in his face and knew he was about to empty his seed right down her throat. I then sped up my tempo as I couldn't control my spunk gun any longer.

I extracted my cock from her ringpiece and sprayed jet upon jet of hot jism all over arse.

She finished her virtuoso performance by licking his wilting cock clean and giving him a wink as we left.

This was our first experience with a third party and we are very keen to go one better with another couple.

Please contact us now for more sex. See what happens!

Alfie, Midlands.

# Kacie

Shropshire lass Kacie is as English as they come, so what's with her fondness for America's summer sport? Surely she should be into cricket instead.

"Nah, cricket's really boring, but when I went to America a couple of years ago I played a few games in my mate's softball league. It was a really good laugh, and a great way to meet fellas, too. Let's put it this way – we ended up playing hardball with a few of them, and nearly all of them got to forth base before we'd finished with them!"

Valentine's Day is pretty well upon us once again, and in the absence of any girls called Valentine (it's a bit girly for a boy's name, isn't it?) we thought we'd give you the next best thing with Valentina. Mind you, with her incredible bod it's not really fair to suggest she's second best to anything, is it?

"I should hope not! As a matter of fact I had a grandfather from France who was called Valentine - it's not really seen as a girly name over there - and that's who I was named after. Apparently I take after him in lots of ways."

Not too many ways, we'd imagine, looking at you!

# VANESSA

Started thinking about your summer holidays yet? Me neither – paying off those post Christmas debts is more than enough to be worrying about for now – but still, when the time comes, wherever I end up going, I want to fly with whichever airline would employ Vanessa here! OK, so her retro uniform might make you think the company's flying nothing newer than de Havilland Comets, but a quick glimpse of that magnificent undercarriage should be more than enough to dispel any unease! It's clearly not just her uniform that's a bit old school – that muff is straight out of a bygone era of jetsetting glamour!

**"I've been wanting to do this for years! Ever since I got my first digital camera I've been taking sly pictures of myself from different angles, and now I do it with my phone – it always gets me feeling really horny, whether or not I actually share the pictures with anyone. I always knew I'd like to model for a magazine, but I actually put it off for ages because the anticipation only served to heighten my excitement. Well, I've finally bitten the bullet, so what do you think?!"**

## Gym Hunny

I had seen a new guy, Paul, from the gym glancing over at me for what must have been a few weeks. He was pretty hot, and definitely my type, but I never thought eyeing each other up would lead to anything further. I was doing my best to flirt with him between gym sessions

and admit to showing a little too much of my arse and definitely wearing a vest that showed my boobs off very nicely. Anyway, we eventually spoke a few words and it was so obvious that he wanted to have my knickers down

03. HANNAH

and I wasn't complaining in the slightest! Gym sessions were now very exciting! I could feel my knickers getting wet each time I saw him, my pussy was aching for some attention and I was just waiting for the right opportunity.

One Friday, after a late afternoon session Paul followed me to my car and we chatted about what we might do at the weekend. He explained that it was his birthday but he had no real plans as he now lived miles away from his mates. I said that I was also pretty free and he said that he had heard that there was a dogging spot outside of Lincoln that was really popular! I was really shocked by this, as he didn't seem the sort, but I played it cool and went along with it! He asked if I had ever been dogging, which I hadn't, but I said that I was always up for a laugh and would give it a go if I ever had the chance, and going with him would kind of be like a birthday pressie! He smiled and said that he would meet me in an hour, giving me chance to shower

and change. OMG! I could not believe what I was doing! An hour later I was in his car and heading for the site he had heard of. It was dark when we arrived, but there were a few cars already. It was kind of like a secluded layby which got busier and busier. We sat and watched for a while and Paul complimented me on my boobs and asked if I was fully shaved. I liked the attention, and asked if he wanted to check for himself. With that he undid my jeans and peeled them down over my knees so I could open my legs. My boobs were out too and his hands were gently caressing me while I undid his flies and grabbed his throbbing, hard cock. I glanced up and was genuinely shocked to see five guys looking at us through the windscreen. One of them had dropped his pants and was slowly wanking while he enjoyed the show. The passenger door opened and a nod

of consent from Paul was all they needed to join in, Moments later I was on the bonnet with my legs spread, knickers ripped off, and hands all over my body, I was not in control, but I liked it and was so turned on!

The next few minutes were a blur. I have no idea how many guys were actually there. I remember lots of phones taking pics and vids, and I was sucking cock after cock like a sex starved maniac! My pussy was constantly in use and the guys took it in turns to fuck my tight little snatch! I felt so dirty, like a cum hungry whore and OMG was I noisy! Even Paul was shocked that this posh slut was so filthy!

We were there for an hour and I must have sucked 20 cocks and had just as many pounding my pussy, I lost count of the number of orgasms I had but had the best evening and enjoyed one of the best sexual experiences. I was covered in hot, sticky cum and loved it, My pussy had taken several loads and I was showing the best cream pies, posing after for pics. I certainly wasn't hungry after either! Paul dropped me near home and I had to somehow explain to my hubby where I had been. I had cum dripping down my leg and my hair was a sticky mess!!

We haven't been back yet, but Paul and I are great fuck buddies now. We smile at each other at the gym, like strangers, and after a workout I slip back to his for a really hard fuck and scream the place down! Well, why shouldn't my cunt get a workout too?

Hannah, Lincs.
